#### THE TEAM'S OUTLOOK

The first cut has been made and squad and there are now as me for practice. The pitchers and ers have been out for nearly t weeks and the whole squad has b out for builing practise about two weeks. About 12 pitchers are wee ing and they all look good to than h collison. Rey Collins has been 100k. There are 100 mothers in good standar and he says that there are seven met annable of going into the box and diching a good game. "There neve as been so much promising material before," continued Ray, "there's a fight on for every position."

Three good men, Dutte and Smith, are working for the sack, and they are all hummers. The are also a large number of candidates for the remaining infield positions and the outfield will probably be th strongest that it has been in years. Among the old men in line are to

Haynes, McConnell, S. 13th, Williams, O'Dea, Hunt and Go rand. Among the promising fraction are McDonald, Fisherty, C. Garage Hershey, Lyons, Estes, Brown S. a. nhan, McGauley, King, Ad. iv to the
